SUNKEN SILVER

Chapter 8
"The Shadow on the Stairs"

By Frank Leon Smith.

The "conchs" attack the Standish house through the tunnel, but are driven off by Milo and Brice, with the aid of a stream of boiling water. One of the "conchs" is captured and it is learned from him that other "conchs" lie in wait for Hade. This means death for Hade, and, when his signal is heard, they see him leaped upon and killed -- yet, a few minutes later, he stands before them!
